Mr. Howie Eaton, Program Director
Radio Station WYBC
Box 242-A
Yale Station
New Haven, Connecticut

Dear Howie:

In reference to our conversation in New York on a possible exchange of taped or waxed programs, I was wondering if you had anything on hand that would be of general 'Ivy' interest for our use. At this juncture it seems rather fruitless to try and work with the entire net on something like this, and perhaps it will be to our mutual advantage to exchange a few programs from now until the end of the year to make the Ivy Network a little more real thing to the audience at Yale and Dartmouth.

The interview that you made with Dr. Seymour and your new president interests me, and I was wondering if you could send us your recording of that? Similarly, we have on hand an interview with William Patterson (a somewhat well-known liberal leader) and plan to interview Dr. Ralph Bunche this afternoon - and I thought perhaps you might be interested in either or both of these. They are both on tape, but I think we might micro-groove record it, if you are equipped to handle LP's.

Time does run short, and it might be a good idea to get this thing under way as soon as possible, so let me know what you think and if you have anything on hand send it along.

Be seeing you in a couple of months,

Sincerely,

John Gambling
Production Director
